

I am writing regarding the K-LOVE radio stations. Listening to the K-LOVE radio station that is available in my town has been such an encouragement to me. I honestly don't know what I would do without it. As a resident of my community, I am often encouraged that such positive listening is available. I think that the loss of our K-LOVE radio stations would have very negative effects on my local community. Being without such encouraging and uplifting music and news would be a very sad thing. I believe that the service provided by K-LOVE is in the public's interest because it is very family-friendly and it is always encouraging.
